

10 Reasons to Quit Smoking

- I will reduce my chances of having a heart attack or stroke.**
- I will reduce my chances of getting lung cancer, emphysema, and other lung diseases.**
- I will have better smelling clothes, hair, breath, home, and car.**
- I will climb stairs and walk without getting out of breath.**
- I will have fewer wrinkles.**
- I will be free of my morning cough.**
- I will reduce the number of coughs, colds, and earaches my child will have.**
- I will have more energy to pursue physical activities I enjoy.**
- I will treat myself to new books or music with the money I save from not buying cigarettes.**
- I will have more control over my life.**
