TESTING AND
COUNSELING**

*STRENGTHENING AND
ENHANCING THE HEALTH AND
EDUCATION OF NATIVE PEOPLE.*

the Risk is NOT
knowing.
Get tested.

IPTF is now testing individuals that are considered "HIGH-RISK" High Risk may include:

- Having unprotected sex with Multiple Partners
- Needle Users
- Men having sex with Men (MSM)
- Unprofessional body tattoos/body piercings
- Unprotected sex while intoxicated
- Have not been tested with IPTF in the past 12 months

**INCENTIVES FOR
GETTING TESTED!**

Ask your Tester how you may qualify for an Incentive!

What to expect when you come in and get an HIV test

- The Client will be welcomed when they arrive
- A staff member will have the client sign in and take a seat
- One of the testers will then call the clients first name and take them to the testing area
- The tester will introduce their selves to the client.
- Test will be conducted in less than 20 minutes.
- Depending on the status of your test, tester will then refer the client to the proper resources.

**TESTING IS
CONFIDENTIAL!**

**HONOR YOURSELF!
GET TESTED!**

We offer HIV 101 Education classes with incentives for participating! Space is limited! Call us to reserve your spot!
